

SAO DARA

Digital Marketing

About Me

I am Sao Dara, born in 2002 in Kampong Chhnang province. Currently, I am a third-year student at Asia Euro University. I specialize in website development, with expertise in rapidly creating websites using native coding. Additionally, I have experience in IT support, digital marketing, content creation, and graphic design. My diverse skill set allows me to deliver innovative solutions and creative outputs across various domains in the tech and marketing industries.
